

## **FAOBMB Special Travel Fellowships for the IUBMB Education Conference 2019**

IUBMB 2019 PHILIPPINES  
(IUBMB Education Conference 2019 and 46TH PSBMB Annual Convention)

A collaborative hosting of IUBMB Education Conference 2019 by IUBMB, FAOBMB and PSBMB will be held at The Manila Hotel, Manila, Philippines on November 13-15, 2019 with a theme, Harnessing Interdisciplinary Education in Biochemistry and Molecular Biology.

This 3-day event will provide a great venue for Educationists, Research Faculty, Researchers, and aspiring young scientist educators to meet, discuss and build international collaborations. The event will be a great opportunity for gaining new insights and renewed engagements in Biochemistry and Molecular Biology Education under an interdisciplinary background. Among the highlights are the round table discussions and mini lectures on BMB Education for K-12 Teachers, BMB Education for Medical School Educationists, BMB Education for Undergraduate and Post Graduate, BMB in Health Sciences, Tools in Teaching BMB, BMB Continuing Education in the Industry, Publishing in Education, and Laboratory Classes in BMB Education, to surface out issues, challenges and best practices that may advance BMB Education in the region and in the world in general. Each participant may not only share and contribute to a more enriching education in Biochemistry and Molecular Biology but also learn the art of mentoring science class.

For more details please visit: <https://www.psbmb.org/iubmb2019ph-program.html>

A limited number of Travel Fellowships are available from FAOBMB for biochemists, molecular biologists and educators from the FAOBMB region to participate in this conference. The fellowship mainly supports registration, travel costs and accommodation during the conference with the amount up to US\$1,500.

Applications for these fellowships are now invited from well qualified graduate students/postdoctoral fellows/early career biochemists, molecular biologists and/or biochemistry/molecular biology educators from the FAOBMB region.

### **Eligibility:**

1. The applicant should be currently:
  - A) Registered as a PhD student or post-doctoral scientist at an institute of higher learning in an FAOBMB member country, OR
  - B) Holding a position as researcher / educator (within 10 years of completion of a PhD) at an institute of higher learning in an FAOBMB member country;
2. The applicant should be a paid up member of an FAOBMB member country society / group;
3. For travel costs, only round trip travel from the applicant's current country of residence to Philippines is supported;
4. Applicants who have previously received an FAOBMB Travel Fellowship are not eligible to apply;
5. The applicant must be a presenting author of an abstract submitted for the conference (<https://www.psbmb.org/iubmb2019ph-program.html>) for symposia and workshop topics);
6. This fellowship is contingent upon the successful applicant's abstract being accepted by the conference organisers, proof of attendance at the meeting and fulfilment of the requirements as stated above.

Applications (by email or by post) must be received by **11<sup>th</sup> October, 2019**.

Applicants will be notified by email (within one week) following receipt of the application. Notification of the decision of the Committee will be sent to each applicant no later **than 25<sup>th</sup> October, 2019**.
